

If I Were A Tree (The Song)

Stanza #1

If I were a tree
 I'd fill the sky
For all to see
 And wonder why
And I'd stand tall for all to see
 That is if I were a tree

Stanza #2

I'd shade the world
 On a hot summer's day
And beckon to all
 Who pass my way
And I'd stand tall for all to see
 That is if I were a tree

Stanza #3

I'd be there for you
 Come rain or shine
Down thru the ages
 Till the end of time
And I'd stand tall for all to see
 That is if I were a tree

Musical Intermission

Stanza #4

I would sway
 In a gentle evening breeze
And change the seasons
 With falling leaves
And I'd stand tall for all to see
 That is if I were a tree

Stanza #5

I'd offer a branch
 To a feathered friend
And grant a kiss
 To the howling wind
And I'd stand tall for all to see
 That is if I were a tree

Stanza #6

Yes I'd be there for you
 Come rain or shine
Down thru the ages
 Till the end of time
And I'd stand tall for all to see
 That is if I were a tree

That is if I were a tree
That is, if I were a tree
