Bible Discussion Cards

Application Summary

Bible Discussion Cards are the creation of Rev. John Marinelli. They were born out of his love for the Scriptures and desire to share God's Word with others. Listed below are a few ways to use BDC's:

1. **As A Group Activity...**There is nothing better than getting together and discussing Bible verses. BDC's offer just that, a pre-selected topical list of key scriptures that are life changing when taken seriously. **Just Pick A Card** from the 54-card deck **and Ask Questions**. It's that simple. Our free Leader's Guide eBook is full of starter questions.
2. **As An Ice Breaker...**BDC's are great to break the ice at church meetings. They are a fun way to kick off a youth meeting, Sunday school class, Wednesday and Sunday night gatherings, Senior Citizen Fellowships, Church Bible studies and other functions. **Just Pick A Card and Ask A Question** or two to get the ball rolling.
3. **As An Evangelistic Tool...** Discussing key scriptures with unsaved folks is the heart of evangelism whether on a one-to-one basis or in a group setting. BDC's are great to draw attention to God's Word and it's application in life situations. They are ideal for prison Ministries, Church Visitation Programs, Youth Encounters and other outreach ministries. **Just Pick A Card and Ask A Question.**
4. **As Flash Cards...**and a guide to Spiritual Growth. BDC's are a great resource for personal scripture memorization and Spiritual Growth. Purchasing multiple decks and distributing them among church folk is a great way to edify the body of Christ. Special multiple deck discounts are available. Call Rev. Marinelli at **352-687-1776** to discuss the particulars. **Just Pick A Card and Ask A Question.**
