

Three Reading Adventures *With One Central Theme*

Mysteries & Miracles... offers three reading adventures, all centered on the love and protection of God. Each dimensional adventure is a mystery in itself yet all three dance together in a melody of Love, Romance, War, Tragedy and Triumph.

Mysteries & Miracles... is a love story that brings out the reality of Bible promises in the lives of ordinary people. They will all travel through events that happen during WWII, Vietnam and post war societal life.

Mysteries & Miracles... is an easy read with factual details of the invasion of Normandy taken from public war records. The storyline follows a 1700s Spanish coin that is found in France, lost in a Texas forest and used to ignite a forgotten wartime romance.

Then It follows a **“Mysterious Stranger”** in the lives of several first adventure characters and other players that are eyewitnesses to encounters with Spiritual beings from Heaven and finally ends with *The Mystery of The Empty Soul*.
